HOSPITAL FURNITURE MANUFACTURER

...

Company Profile

COMPANY OVERVIEW

Aggarwal Surgicals, established in the mid-2000s, is a **leading Hospital Furniture Manufacturer in Rohtak, Delhi NCR**, known for delivering high-quality hospital furniture and equipment.

The company is led by its Owner and Director, **Mr. Ajay Aggarwal**, a seasoned professional with **26+ years of experience** in the medical and hospital industry. Under his vision and leadership, Aggarwal Surgicals has evolved into a trusted brand recognized for quality, reliability, innovation, and NABH-compliant healthcare solutions.

Mr Aggarwal's contributions to the healthcare sector have been widely acknowledged. He has been inducted as a **Distinguished Fellow of the AHPI Leadership Forum by the Association of Healthcare Providers (India)**, reflecting his leadership and commitment to strengthening healthcare delivery in India. He has successfully completed the **NABH 6th Edition Standards for Hospitals programme, conducted by the NABH Quality Council of India**, strengthening his expertise in hospital quality systems, safety standards, and accreditation-ready infrastructure. Aggarwal Surgicals is also an **approved and registered OEM (Original Equipment Manufacturer) on GeM - the Government e-Marketplace**, the nationwide government procurement platform, enabling transparent and compliant supply to public healthcare institutions across India.

Today, Aggarwal Surgicals continues to uphold its promise of excellence, standing as a reliable Hospital Furniture & Equipment Manufacturer and a trusted partner for hospitals and healthcare institutions across India.
